Hi Everyone,

This week's Departmental Acknowledgement is an easy pick and goes to **Saleem Razack**. Tonight in Calgary Saleem will be receiving this year's Paediatric Chairs of Canada Clinician-Educator Leadership Award. He joins Wendy MacDonald as a prior Departmental member who has received this Award as a Clinician-Educator (Emmett Francoeur has received the Clinician-Practitioner Leadership Award and Charles Scriver and Michael Kramer the Clinician Resear2(A)n-

fostered the Faculty's First Nations and Inuit Program for medical school enrollment that includes a contractual relationship with the Government of Nunavut. All of these initiatives are undertaken without breaching or compromising a firm commitment to academic excellence and objectivity. These local initiatives have led Dr. Razack to work with national colleagues to found the MEDARCC collaboration that seeks to inform equity and diversity benchmarking by assembling a comprehensive database of the
