The Jewish General Hospital is culling medical books from its Library. We are student volunteers at the Maude Abbott Medical Museum (MAMM). In September 2023, volunteers at the MAMM recuperated about 20 boxes of books and coordinated a book giveaway. The drive was very successful, and all the books were picked up by students (about 400 books). See Appendix I.

This year we have recuperated another 27 boxes (about 600 books). We plan on setting up a table in the Strathcona Anatomy Building on September 4, 5, and 6 (from 9:30am to 4:30pm) to allow students to take the volumes they want. In addition, we plan to set up a table to give away notebooks made of recycled paper (department stationery
